Las Vegas, is home to the world's most popular casinos, nightclubs, day clubs & entertainment parties. Due to its mass popularity, it can be expensive and difficult to access the exclusive events held inside the casinos properties. Your group or guests will be escorted through the city with their very own luxury VIP HOST. They will feel like a celebrity, making out of this visit a true VIP Experience in Las Vegas. The host will provide insider information on what's hot and what's not in the city for the duration of your stay. Our VIP hosts stay very current on all the latest trendy and popular entertainment options available while using this gift package. Your group will also be provided a complimentary limo ride to select clubs throughout Las Vegas, and free entry to those locations as well. Your host will let you know what locations are available for the limo package once you are in town, and will also provide your group with drink tickets allowing you a free beverage or cocktail upon arrival. Your Key to the City VIP Package will also provide your guest and your entire group front-line access to locations that may have a 1-3 hour wait to get in. Your group will feel like celebrities, when escorted to the front line and then provided deep discounts on tables, cabanas and bottle service.
